Future Leaders Fellowships Community Engagement Webinars – September 2020

UK Research and Innovation (UKRI) will be holding two Community Engagement webinars in September 2020 to talk about its Future Leaders Fellowships scheme. These webinars are aimed at potential host organisations interested in supporting a UKRI Future Leaders Fellow.

Host organisations looking to support a fellow can be any UK-based organisation currently registered as eligible to apply for funding from the Research Councils (e.g. Higher Education Institutes (HEIs), Research Council Institutes and Laboratories, and eligible Independent Research Organisations (IROs) or a UK-registered business able to provide an innovation and/or research environment of international standing.

These webinars are primarily aimed at potential academic host organisations; webinars aimed at potential business host organisations will be held at a later date.

The webinars will be an opportunity to:

- Find out more about the Future Leaders Fellowships scheme, including updates from Rounds 1, 2, 3 and 4 of the scheme
- Discuss some of the most commonly asked questions
- Ask questions to UKRI staff about the scheme

Dates of the webinars, which will be hosted via Zoom, are stated below. To join the webinars, please register your attendance in advance:

1. 15th September 2020, 10:30-12:00: https://ukri.zoom.us/webinar/register/WN_ZsNZLsT1WFVfTb3KTP_g
2. 18th September 2020, 10:30-12:00: https://ukri.zoom.us/webinar/register/WN_AijdLeqgQt6GQYu6CWfDw
