

<b>Principal Investigator</b>	<b>Lead research organisation</b>	<b>Title</b>
Professor Ibrahim Abubakar	University College London	GCRF African Health Systems Innovation Hub
Professor Camillo Boano	University College London	GCRF Global Housing Urbanism Hub
Professor Neil Bruce	University of York	GCRF Insect biotechnology for sustainable food Hub
Professor Neil Burgess	World Conservation Monitoring Cen WCMC	GCRF Trade, Development and the Environment Hub
Professor Miles Carroll	Public Health England	GCRF Safer water, better lives Hub
Dr Martin Cheek	Royal Botanic Gardens Kew	GCRF Underutilised Plants of Tropical Africa Hub
Professor Christine Chinkin	London School of Economics & Pol Sci	GCRF Gender, Justice and Security Hub
Professor Lucie Cluver	University of Oxford	GCRF Transforming Potential for Africa's Adolescents Hub
Professor Christopher Collins	University of Reading	GC Transformational Soil Restoration Hub
Professor Heaven Crawley	Coventry University	GCRF South-South Migration, Inequality and Development Hub
Professor Richard Dawson	Newcastle University	GCRF Water Security and Sustainable Development Hub
Professor Bob Doherty	University of York	GCRF Transforming Greater Mekong Food Systems Hub
Professor John Edmunds	London Sch of Hygiene and Trop Medicine	GCRF Vaccines for development Hub
Dr David Paul Edwards	University of Sheffield	GCRF African Forest and Landscape Restoration Hub
Professor Steve Evans	University of Cambridge	GCRF Inclusive Flourishing Advanced Science & Technology Hub
Professor Veronique Filippi	London Sch of Hygiene and Trop Medicine	GRCF (Re)production and Sustainable Development Hub
Professor Ben Fine	School of Oriental & African Studies	GCRF Equalities in Education and Health Research Hub
Professor Christophe Fraser	University of Oxford	GCRF Disease Control Analytics Hub
Dr Mark Graham	University of Oxford	GCRF Pro-Equity Innovations in Digital Development Hub
Professor Zheng Xiao Guo	University College London	GCRF Water through Smart Chemistry Hub
Professor Sir Andrew Haines	London Sch of Hygiene and Trop Medicine	GCRF Sustaining Health, Agriculture, Development and Environment Hub
Professor Jim Hall	University of Oxford	GCRF Infrastructure for Sustainable Development Hub
Professor Mark Hanson	University of Southampton	GCRF Improving Diets, Development and Decision-making Hub
Professor Roy Harrison	University of Birmingham	GCRF Air Pollution and Sustainable Development Hub
Professor Daniel Haydon	University of Glasgow	GCRF Interventions for Environmentally-Dependent Infectious Diseases Hub
Dr Sonia Heaven	University of Southampton	GCRF Industrial Biotechnology for Sustainable Development Hub
Professor Claire Heffernan	London Sch of Hygiene and Trop Medicine	GCRF Action Against Stunting Hub
Professor Alison Holmes	Imperial College London	GCRF Infection and AMR Associated with Healthcare Hub
Professor Paul Jeffrey	Cranfield University	GCRF Sanitation and Hygiene Equity Hub
Professor Susan Jobling	Brunel University London	GCRF Plastics in Society Hub

Dr Satheesh Krishnamurthy	Open University	GCRF Energising a Billion Lives Hub
Professor Todd Landman	University of Nottingham	GCRF Slavery and Sustainable Development Hub
Dr Andrew Large	Newcastle University	GCRF Living Deltas Hub
Professor Robert Lee	University of Birmingham	GCRF Environment Care and Social Justice Hub
Professor Wolfgang Maier	Cardiff University	GCRF African Mining for Sustainable Development Hub
Professor John McCloskey	University of Edinburgh	GCRF Multi-hazard Urban Disaster Risk Transitions Hub
Professor Elisa Morgera	University of Strathclyde	GCRF ONE OCEAN Governance for Sustainability Hub
Dr Thrishantha Nanayakkara	Imperial College London	GCRF Sustainable Rainforest Communities Hub
Professor R. Toby Pennington	University of Exeter	GCRF Sustainable Latin American Tropical Drylands Hub
Professor Steven Sinkins	University of Glasgow	GCRF Disease Prevention using Insect Symbionts Hub
Professor Philip Stevenson	University of Greenwich	GCRF Ecological Intensification for Sustainable Agriculture Hub
Professor Mark Sutton	NERC Centre for Ecology and Hydrology	GCRF South Asian Nitrogen Hub
Professor Savvas Tassou	Brunel University London	GCRF Sustainable Horticulture Chains Hub
Professor Leon Terry	Cranfield University	GCRF Reducing Global Food Losses Hub
Professor Sally Theobald	Liverpool School of Tropical Medicine	GCRF Equity in Informal Urban Settlements hub
Professor Fiona Tomley	Royal Veterinary College	GCRF One Health Poultry HUB
Professor Ellen Townsend	University of Nottingham	GCRF Suicide Prevention Hub
Professor Andrew Tyler	University of Stirling	GCRF Water Observatory and Solutions Hub
Dr Sotiris Vardoulakis	Institute of Occupational Medicine	GCRF Clean Air Low Carbon Cities Hub
Professor Thomas Wagner	Heriot-Watt University	GCRF Amazon: Too-Big-To-Fail Hub
Dr Andrew Wilson	University of Bradford	GCRF Fragile Heritage Hub
Professor Cathy Zimmerman	London Sch of Hygiene and Trop Medicine	GCRF Decent Work, Healthy Families Hub
