Dear [Name],

Freedom of Information ref UKRI – 2018/0098 AH

Thank you for your Freedom of Information request submitted on 28th July 2018 in which you requested the following:

Your Request:
Dear Sir/Madam,

I am writing to request your kind participation in a masters-level research study, whose primary objective is to assess the effectiveness of retrofitting residential buildings for energy efficiency in the UK.

The request is based on your organisation’s experience in retrofitting residential buildings in Westminster and other cities across the UK.

I would like to request information regarding retrofitted buildings in Westminster between 2010-present. The data should include the number of retrofitted buildings, type of dwelling (apartment, terrace, semi-detached), the underlying motivation for retrofit (resource efficiency, ecological, economic, warmth, aesthetics, health), ownership scheme, energy saving estimates, and type of retrofit (roof insulation, window glazing, thermal heating).

Please contact me if you have any queries.

Best regards.
