Freedom of Information request: 2018/0180

Thank you for your freedom of information request received on the 20th of October 2018 in which you requested the following:

Your request:

Would you have any data regarding: Blue shift in sunlight color spectrum, thru a prism, or via photoelectric spectroscopy, with varying altitude above the surface of the earth?

Our response

Please see below a link to the Gateway to Research (GtR) website. This has been developed by the UK Research and Innovation (UKRI) to enable users to search and analyse information about publicly funded research. Using this website you can search a range of terms such as 'Blue shift sunlight', 'photoelectric spectroscopy' to find any research that may have been funded by UKRI in this area.

If you have any queries about this response or the information held on Gateway to Research, please contact gateway@ukri.org.

If you are unhappy with the service you have received in relation to your request and wish to request a review of our decision, please write to:
