Freedom of Information request: 2018/0188

Thank you for your Freedom of Information request received on 28th October 2018 in which you requested the following:

Your Request:

Application statistics on the Innovate competition: Wireless electric vehicle charging for commercial users: feasibility studies

Including at a minimum:

• 1) how many applicants there were?
• 2) how many successful applications?
• 3) the names of the applicants
• 4) average Innovate feedback score of all applicants

Our response:

I can confirm UKRI hold information in relation to your request.

1) There were 11 applicants
2) There were 9 successful applicants
3) The names of the successful applicants will be published on Innovate UK’s transparency data on the below links once ministerial approval to release the information has been received. As this is the case the information you have requested is exempted from disclosure under section 22 of the FOIA, information intended for future publication. Innovate UK publish the successful applicants to their competitions. The information can be found on the transparency data on the below links. The names of the successful applicants to the Wireless electric vehicle charging for commercial users: feasibility studies competition will be published in the below locations:
   Innovate UK funded projects since 2004
   Innovate UK funding competition winners 2018
4) The average Innovate feedback score of all applicants was 69.9%

If you have any queries about this response please contact me, or if you are unhappy with the service you have received in relation to your request and wish to request a review of our decision, please write to:
