Freedom of Information request: 2019/0054 IUK

Thank you for your Freedom of Information request received on 19th February 2019 in which you requested the following:

Your Request:

I would like a list of all the successful tenders – including the organisations winning the tenders and the value of each contract – for monitoring services where the invitations to tender were run through the monitoring procurement process on ProActis DPS platform.

Our response:

I can confirm UK Research and Innovation hold information relevant to your request.

The information you have requested is in the public domain and can be found on the below link:

https://www.contractsfinder.service.gov.uk/Search

To find the contracts click ‘search’ on the landing page. The search can be refined on the next page. Once on the results page, on the left-hand side of the screen make the following changes:

- Type ‘ITT’ in the ‘Keywords’ box.
- Under ‘Notice status’ check the ‘Awarded’ box and uncheck the other options.

Then click ‘Update results’ or hit enter. This will bring up the monitoring contracts, which show as under UK Research & Innovation.

If you have any queries about this response please contact me, or if you are unhappy with the service you have received in relation to your request and wish to request a review of our decision, please write to:

Complaints Officer
