EPSRC invites proposals for Healthcare Impact Partnerships. This call is intended to support novel Mathematical, Engineering, ICT and Physical Sciences research that is aligned to the Healthcare Technologies theme strategy and contributes to at least one of the [Healthcare Technologies Grand Challenges](#).

A budget of at least £6 million is available to support projects that progress previous EPSRC funded research towards generating impact in healthcare.

## Assessment process

Full proposals will undergo postal peer review, followed by assessment at a prioritisation panel resulting in a rank ordered list.
