

Future of UK Treescapes Programme

AHRC Treescapes Workshop - Session 1

Thursday 8 October 2020, 13:30 - 15:30

Agenda

Aims of the Session

In this session we want to provide an overview of the programme, with perspectives from the AHRC, NERC and the Treescapes Programme Ambassadors. We will explore how Arts and Humanities (A&H) researchers can engage with the programme and collaborate with researchers in other disciplines. We will have several presentations which will consider the drivers for the programme and highlighting previous successes and challenges of past programmes.
