Start application

Apply for funding to set up a pain research data hub.

You must be a UK research organisation eligible for UKRI funding. This includes:

- higher education institutions
- approved independent research organisations
- approved NHS bodies
- research council institutes.

The hub will be part of the UKRI and Versus Arthritis Strategic Priority Fund Advanced Pain Discovery Platform. It will bring together and curate data sets to provide high-value data resources.
Find out more in our webinar on Friday 20 November, 13:00 to 14:00. Register for the webinar.

Research data hub survey

Share your feedback and comments on the pain data research hub specification.

Your comments will help the specification to:

● meet the key needs of users
● match priority opportunity areas.

The survey takes no more than 15 minutes to complete. It closes on 20 November 2020 at 16:00.
