*Last updated: 2 February 2021*

Start application

UK registered businesses can apply to run a capital investment project.

The project must help industrialise the electrified automotive supply chain at scale in the UK.

## Eligibility summary

This opportunity is open to single applicants and collaborations.

To lead a project or work alone your organisation must:

- be a UK registered business
- carry out its project work in the UK
- exploit the results from, or in, the UK
- address the requirements of the [Automotive Transformation Fund](#).
