KEC Fellowship Scheme

Formerly the IPS Fellowship scheme

Fellowships nationwide

- 8 completed fellowships (Cambridge, Leicester, Oxford, OU, Sheffield, SUPA, Liverpool, Sussex) ●
- 4 current fellowships (, Manchester, Portsmouth, Southampton, and Warwick) ○
- ~45 STFC-funded institutions yet to hold a KEC Fellowship ○

- The size and scale of your STFC-funded science base does not matter...
- ... what matters is the value a Fellow can add to KE, innovations and impact.

What does an IPS Fellow actually do?

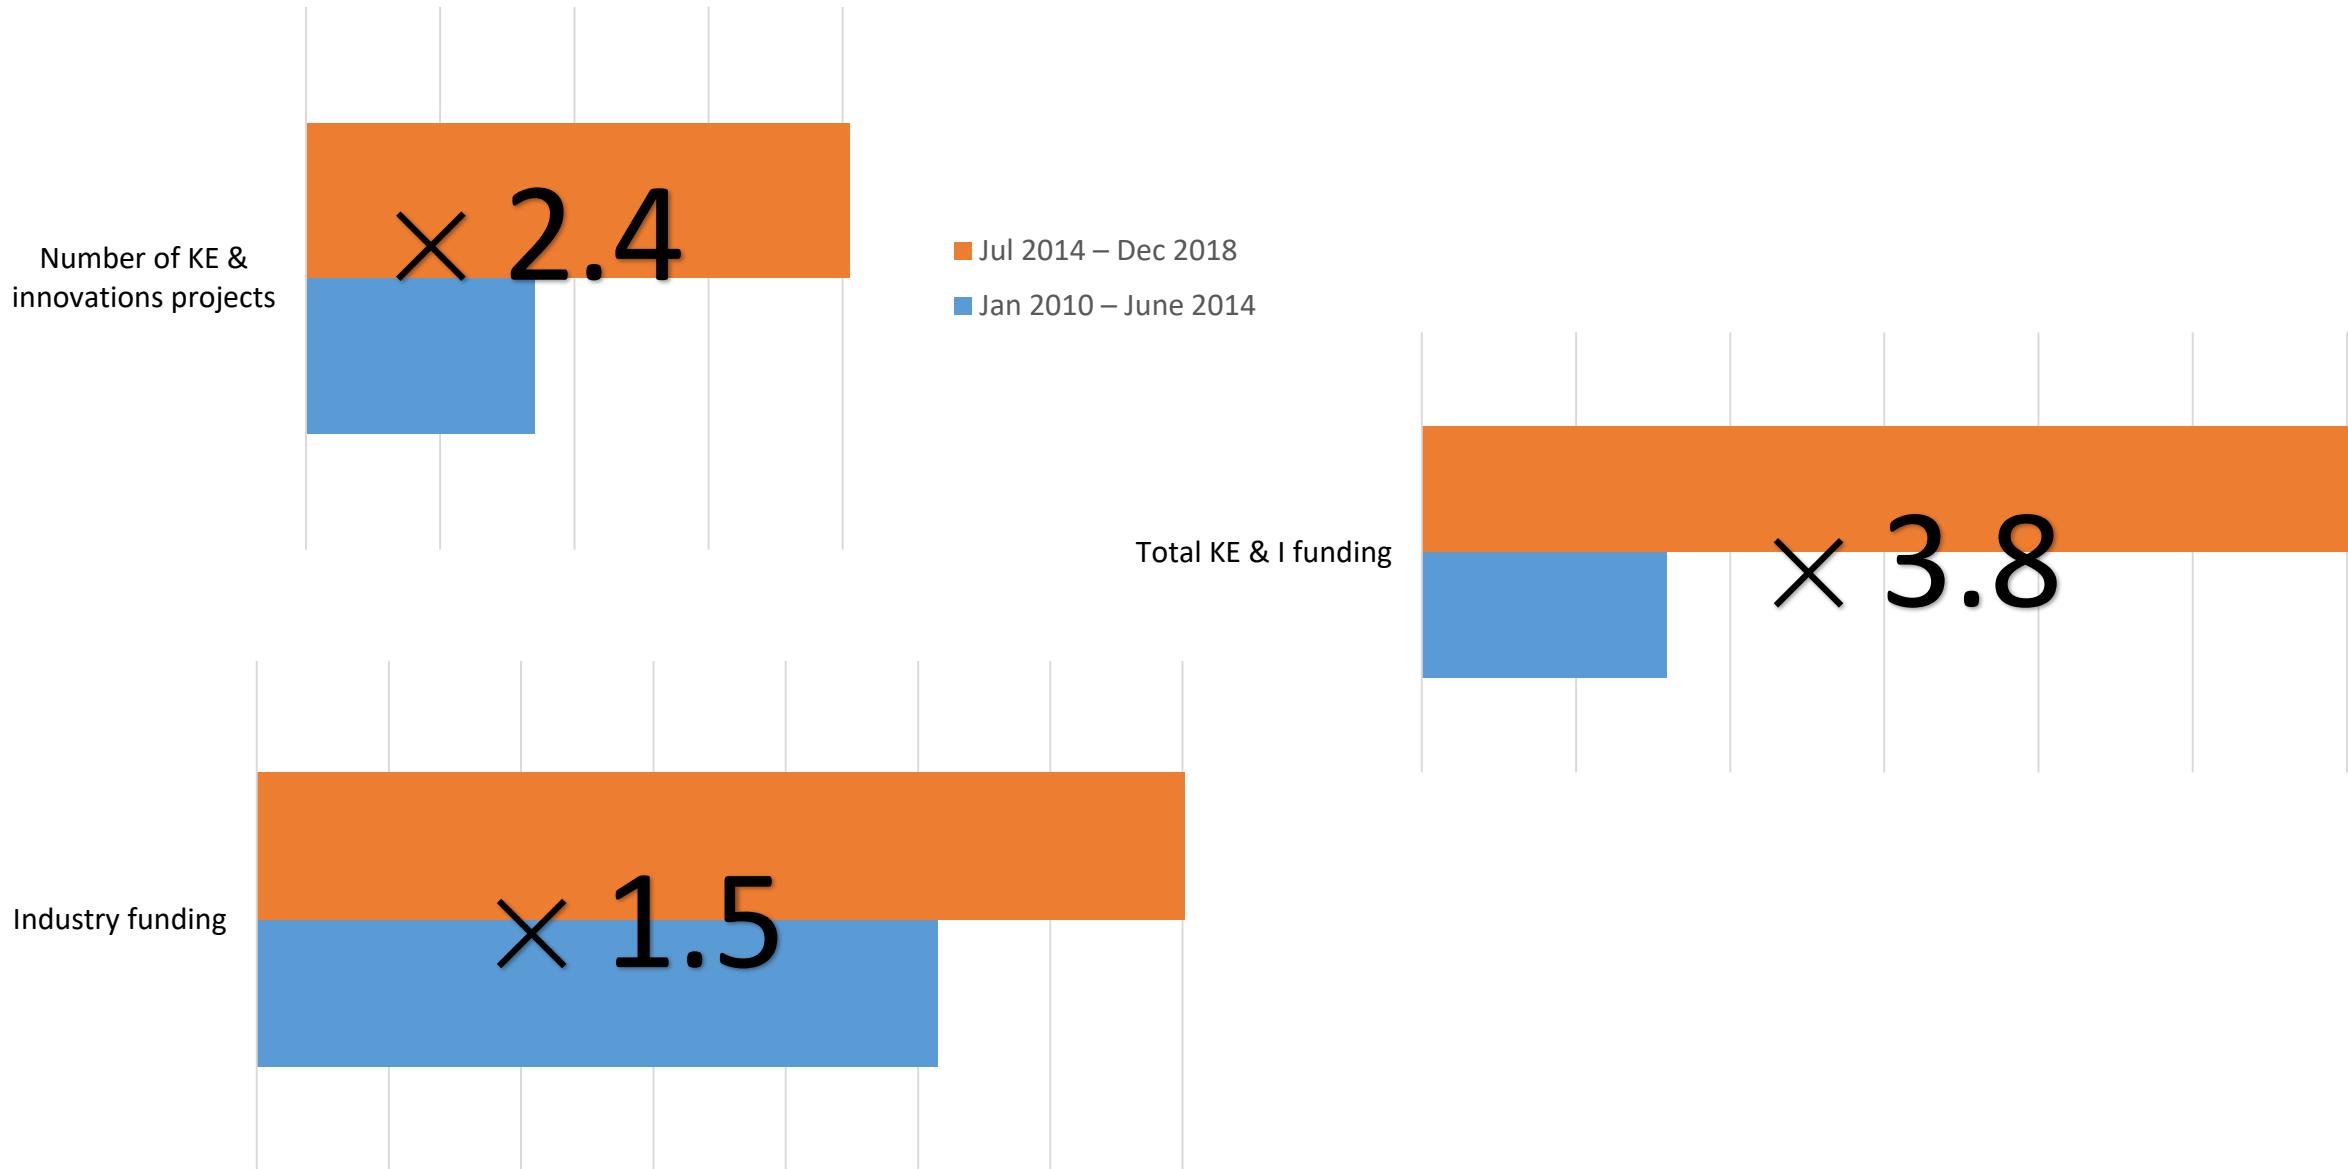

**spin-outs
material evaluation agreements
REF impact**

**Impact Acceleration Accounts
innovations schemes
business development
commercialisation
venture capital
impact monitoring
industrial placements**

**intellectual property
case studies
scanning for funding opportunities
negotiating with partners
pathways-to-impact statement
supporting funding applications
contracts
CASE studentships
non-disclosure agreements
start-ups
impact tracking
patent support
networking
marketing events
finding industry partners
licensing support**

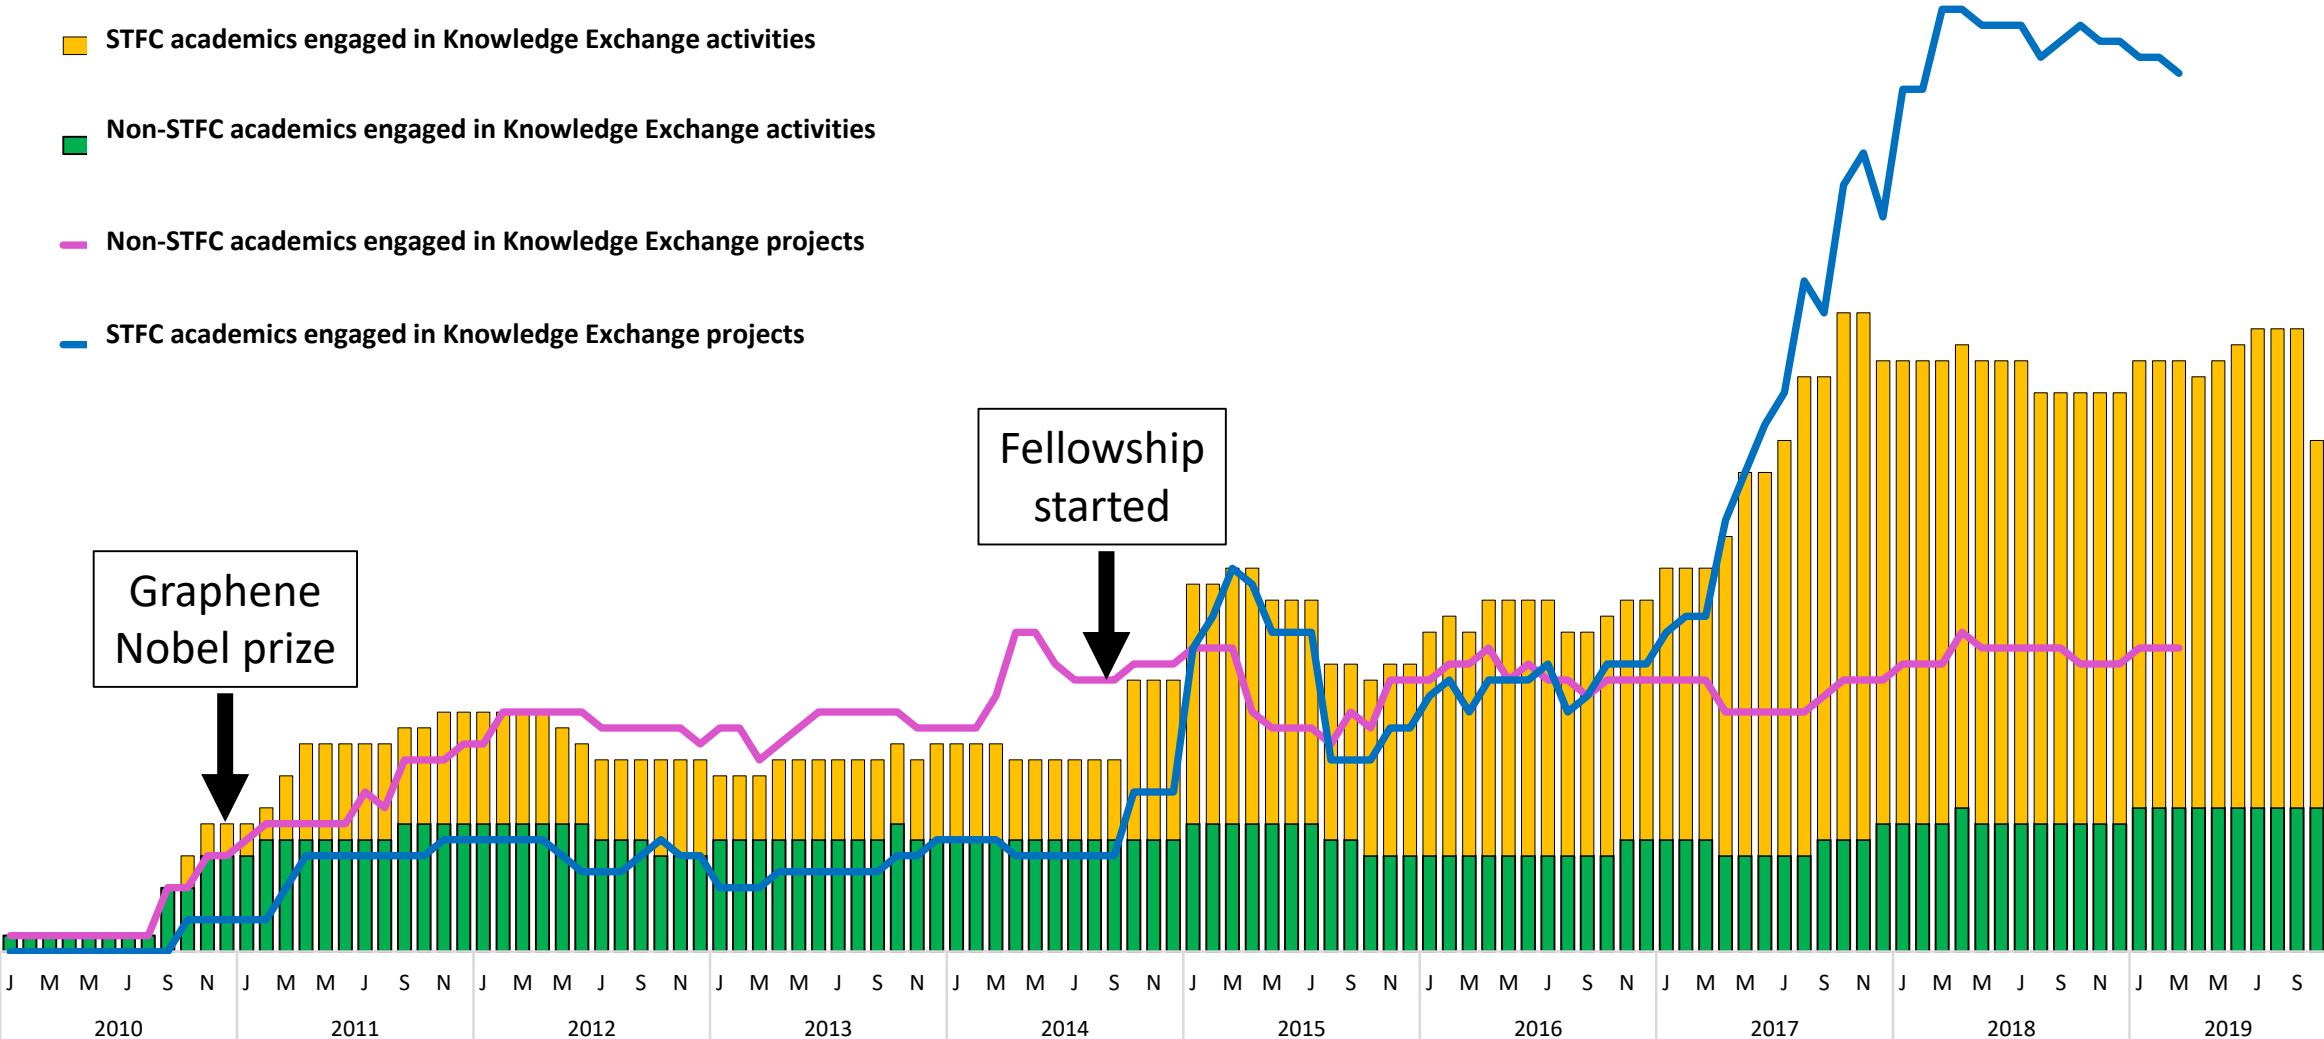

What difference can it make?

STFC Research areas?

Academic Engagement in Knowledge Exchange & Innovation Projects

KEC Fellowships

If you are interested in an KEC Fellowship, please contact STFC and we can connect you to a current Fellow to help guide you in your application
