EPSRC Remit Query

1. General Data Protection Regulations

EPSRC complies with the General Data Protection Regulations 2016/679 (EU) GDPR). We process and handle personal information according to these regulations. The personal information that you provide on this form will only be used for the processing of your application. The information will be viewed by EPSRC staff and those who are part of the decision making process. Your information will not be used/shared for any other purpose without your specific consent. EPSRC reserves the right to publish and share anonymized aggregated information with stakeholders. For further information on how your personal data is used, how we maintain the security of your information, and your rights to access that information we hold about you, please contact the Professional Support Unit Information Team. The UK Research and Innovation privacy notice can be found on the UKRI website. This form has been developed using SmartSurvey. Data entered and submitted to EPSRC via the form will be held in SmartSurvey for a period in accordance with UKRI policy.
