

## Large Grants November 2018

| Rank | Overall Score (0-10) | Grant Reference | Lead / Sole Grant | Grant Holder        | Research Organisation                 | Project Title   | Call              |
|------|----------------------|-----------------|-------------------|---------------------|---------------------------------------|---|-------------------|
| 1    | 10                   | NE/S015647/1    | Y                 | Elizabeth Kent      | NOC                                   | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 1    | 10                   | NE/S015566/1    | N                 | Kevin Cowtan        | University of York                    | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 1    | 10                   | NE/S015574/1    | N                 | Ed Hawkins          | University of Reading                 | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 1    | 10                   | NE/S015582/1    | N                 | Timothy Osborn      | University of East Anglia             | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 1    | 10                   | NE/S015604/1    | N                 | Stuart Middleton    | University of Southampton             | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 1    | 10                   | NE/S015698/1    | N                 | Gabriele Hegerl     | University of Edinburgh               | Global Surface Air Temperature (GloSAT)   | Large Grant NOV18 |
| 2    | 9                    | NE/S015833/1    | Y                 | A. MacKenzie        | University of Birmingham              | Quinquennial (half-decadal) carbon and nutrient dynamics in temperate forests: Implications for carbon sequestration in a high carbon dioxide world | Large Grant NOV18 |
| 2    | 9                    | NE/S015744/1    | N                 | Douglas Clark       | NERC Centre for Ecology and Hydrology | Quinquennial (half-decadal) carbon and nutrient dynamics in temperate forests: Implications for carbon sequestration in a high carbon dioxide world | Large Grant NOV18 |
| 3    | 9                    | NE/S015868/1    | Y                 | Alan Blyth          | University of Leeds                   | EUREC4A-UK: Elucidating the role of cloud-circulation coupling in climate   | Large Grant NOV18 |
| 3    | 9                    | NE/S015752/1    | N                 | Thomas Choularton   | The University of Manchester          | EUREC4A-UK: Elucidating the role of cloud-circulation coupling in climate   | Large Grant NOV18 |
| 3    | 9                    | NE/S015779/1    | N                 | Thomas Lachlan-Cope | NERC British Antarctic Survey         | EUREC4A-UK: Elucidating the role of cloud-circulation coupling in climate   | Large Grant NOV18 |
| 4    | 9                    | NE/S015795/1    | Y                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015590/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015612/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015639/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015655/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015728/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015736/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 4    | 9                    | NE/S015817/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 5    | 8                    | NE/S015671/1    | Y                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 6    | 8                    | NE/S015876/1    | Y                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 6    | 8                    | NE/S015884/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 7    | 8                    | NE/S015760/1    | Y                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 7    | 8                    | NE/S015701/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
| 7    | 8                    | NE/S015809/1    | N                 |                     |                                       | Not funded  | Large Grant NOV18 |
