NERC HPC Acknowledgements

The NERC HPC Steering Committee and NERC Head Office have approved these standard acknowledgments for use of NERC's HPC, which means: ARCHER/ARCHER2; JASMIN; Monsoon2; NEXCS and eCSE. Please use them in all relevant publications and other outputs, to help indicate the success of the investment and to ensure continued funding.

1. MONSooN:
   - This work used MONSooN, a collaborative High-Performance Computing facility funded by the Met Office and the Natural Environment Research Council between 2009 and 2017.

2. Monsoon2:

   - This work used Monsoon2, a collaborative High-Performance Computing facility funded by the Met Office and the Natural Environment Research Council.

   - Please also tag outputs with the keyword "Monsoon2" whenever possible.

3. NEXCS:
   - This work used the NEXCS High-Performance Computing facility funded by the Natural Environment Research Council and delivered by the Met Office between 2017 and 2021.

   - Please also tag outputs with the keyword "NEXCS" whenever possible.

4. ARCHER
   - This work used the [ARCHER](#) UK National Supercomputing Service (2013 to 2021)

   - You should also tag outputs with the keyword "ARCHER" whenever possible.

5. ARCHER2:
   - This work used the [ARCHER2](#) UK National Supercomputing Service

   - You should also tag outputs with the keyword "ARCHER2" whenever possible.

6. eCSE:

   - This work was funded under the embedded CSE programme of the [ARCHER](#) UK National Supercomputing Service.

Or
- This work was funded under the embedded CSE programme of the ARCHER2 UK National Supercomputing Service.

- You should also tag outputs with the keyword(s) "ARCHER" or "ARCHER2" whenever possible.

7. JASMIN:
     - This work used JASMIN, the UK collaborative data analysis facility.

     - You should also tag outputs with the keyword "JASMIN" whenever possible.

Multiple facilities
8. For use of multiple HPC facilities, please separate with a comma and a space.

9. Please separate multiple grant numbers with a comma and space.

10. If the research was supported by more than one agency, the different agencies should be separated by a semi-colon, and with "and" before the final funder:

For example: "This work was supported by the Wellcome Trust [grant numbers xxxx, yyyy]; the Natural Environment Research Council [grant number zzzz]; and the Economic and Social Research Council [grant number aaaa]".
