

Panel 1: Engineering Biology Mission Hubs Sift Virtual Panel

Name	Institute/Organisation
Alicia El Haj (Chair)	University of Birmingham
Martin Parry (Chair)	Lancaster University
Richard Cogdell (Chair)	University of Glasgow
Anne Victoria Smith	University of St Andrews
Carol Wagstaff	University of Reading
Duncan Cameron	The University of Manchester
Edward Green	National Collections of Industrial and Marine Bacteria Limited
Eva-Kathrin Ehmoser	Institute of Synthetic Bioarchitecture
Freddie Theodoulou	Rothamsted Research
James McDonald	University of Birmingham
Laura Bulgariu	TU Iasi, Romania
Marc Guell	Universidad Pompeu Fabra
Matthew Paul	Rothamsted Research
Natalia Falagan Sama	Cranfield University
Nigel Richards	Cardiff University
Petra Oyston	DSTL
Phil Macnaghten	Wageningen University
Robert Kourist	Graz University of Technology
Steve Paterson	University of Liverpool
Sven Panke	ETH Zürich
Tom Meagher	University of St Andrews

Panel 2: Engineering Biology Mission Hubs Interview Panel

Name	Institute/Organisation
Alicia El Haj (Chair)	University of Birmingham
Richard Cogdell (Chair)	University of Glasgow
Anne Victoria Smith	University of St Andrews
Carol Wagstaff	University of Reading
Duncan Cameron	The University of Manchester
Edward Green	NCIMB Ltd
Petra Oyston	DSTL
Steve Paterson	University of Liverpool

Panel 3: Engineering Mission Awards Panel

Name	Institute/Organisation
Anna Hine (Chair)	Aston University
Ed Louis (Chair)	University of Leicester
Eileen Wall (Chair)	Scotland's Rural College (SRUC)
Tim Dafforn (Chair)	University of Birmingham
Alex Conradie	University College London
Bernd Rehm	Griffith University, Queensland
Bryn Hughes	DSTL
Caleb Bashor	Rice University, US
Christopher Lowe	University of Cambridge
Claudio Angione	Teeside University
Colin Harwood	Newcastle University
Elena Gaura	Coventry University
Emad Moeendarbary	University College London
Enrico Ferrari	University of Lincoln
Gary Loake	University of Edinburgh
Geertje van Keulen	Swansea University
Ian McNeish	Imperial College London
James Chong	University of York
Jeremy Sweet	J T Environmental Consultants
Jiandong Huang	Hong Kong University, HK
John Hardy	Lancaster University
John Williams	University of Portsmouth
Jon Dawson	University of Southampton
Julien Reboud	University of Glasgow
Katrin Deinhardt	University of Southampton
Keiyo Takubo	National Centre for Global Health and Medicine
Kris Wadrop	The Centre for Process Innovation Limited (CPI)
Kylie Vincent	University of Oxford
Liz Fletcher	Industrial Biotechnology Industrial Centre
Liz Rylott	University of York
Lucia Bandiera	University of Edinburgh

Luke Mackinder	University of York
Mark Dickman	University of Sheffield
Martin Warren	Quadram Institute
Maxim Kapralov	Newcastle University
Michael Barros	University of Essex
Mike Tyers	Sick Children Research Institute
Murray Brown	GlaxoSmithKline Limited (GSK)
Nathan Hillson	Lawrence Berkeley National Laboratory, Berkeley
Oliver Castell	Cardiff University
Paolo Actis	University of Leeds
Patrik Jones	Imperial College London
Peter Fryer	University of Birmingham
Peter Smith	University of Southampton
Petra Hanga	University College London
Pierre-Alexis Mouthuy	Nuffield Department of Orthopaedics, Rheumatology and Musculoskeletal Sciences, Oxford
Rachaelle D'sa	University of Liverpool
Ralf Jauch	Hong Kong University, HK
Satpal Virdee	University of Dundee
Savas Konur	University of Bradford
Sohail Ali	Plymouth Marine Laboratory
Sung Chul Kwon	Hong Kong University, HK
Takafumi Ueno	Tokyo Institute of Technology, JP
Theresa Good	National Sanitation Foundation (NSF)
Thomas Howard	Newcastle University
Tim Bugg	University of Warwick
Vasilios Andriotis	University of Newcastle
Vitor B Pinheiro	Katholieke Universiteit Leuven, Belgium
Yanlan Mao	University College London
Yasuo Yoshikuni	University of California, Berkeley
