Forum for Tackling Bullying and Harassment in Research and Innovation (FTBH)
Summary and Attendees First Meeting (FTBH Min 06) Thursday 28 April 2022

Agreement of minutes
The minutes were agreed by the Forum on 21 July 2022.

Summary points for publication / wider communication

**Item 1: Chair’s Welcome** Members and guests were welcomed to the meeting by the Deputy Chair (standing in for Chair). The Deputy Chair outlined the aims of the session, stating that the Forum should continue to think about what the future looks like for the Forum and its position as a collective leadership group for the broader research and innovation system.

**Item 2: Minutes and Matters Arising** Minutes of the 5th meeting were agreed. There was one on-going action: Freedom of Speech in research and innovation discussion to be held at the seventh meeting.

**Item 3: UCEA ask – B&H policies use by funders** A discussion regarding the implementation and impact of bullying and harassment policies was held. The Forum shared their desire for continued alignment and development of joined-up guidance and sharing of best practise.

**Item 4: Sector Leadership: Opportunity to support implementation of the UK government’s People and Culture Strategy (Part 1)** The Forum was presented with an ask from the People and Culture R&D Ministerial Coordination Group through UKRI to ‘start the conversation on what collaborative, cross-sector action on “Making bullying and harassment no longer an issue”‘. The Forum discussed its response under item 8.

**Item 5: Review Working Group – Update and ways forward** The Forum heard from the Working Group convened to review the Forum’s Terms of Reference and develop proposals for future ways of working. Analysis by the group identified that a more formal structure and plan of action would help the Forum to be more impactful and show leadership in the sector. The group shared that they would work with the Engagement Task and Finish Group to ensure alignment and a common narrative for the Forum’s objectives.

**Item 6: Engagement Task & Finish Group – Update and future work** The Engagement Task and Finish Group is developing a narrative for the Forum through engagement activities and communications. Forum members have been surveyed on how the Forum can position itself within the R&I community through its communications and engagement activities. The group will use the responses to present a proposed comms and engagement plan at the next meeting.

**Item 7: Principles Working Group – Presenting findings and recommendations** The Principles Working Group shared an update on developing a proposed set of guidance/principles on facilitating and enacting healthy research cultures to prevent bullying and harassment. The group will present its proposal at the next meeting for the Forum to review and adopt.

**Item 8: Sector Leadership: Opportunity to support implementation of the UK government’s People and Culture Strategy (Part 2)** The discussion followed on from agenda item 4. The Forum discussed its
collective actions and forward engagement with the Ministerial Coordination Group. The Forum reiterated its systems level approach to tackling B&H, identifying that the Forum’s ambition and its value were important to future ownership, direction and deliverables of the Forum. The Forum will share past and current work with the MCG and set-out future engagement opportunities as the Forum builds its future work plan.

The next meeting takes place on 21 July 2022.
