

## Ernest Rutherford Fellowship Application Limits

The table below list the departments who are eligible to host an Ernest Rutherford Fellowship. You are advised to contact your proposed host department as early as possible and certainly well ahead of the deadline for submission of applications **16:00 Hours on 13 September 2022**.

Applicants should not be put under any pressure to accept an offer to be hosted before **16 August 2022**.

For potential applicants, departments have supplied a name and email address of a single point of contact and an internal deadline in which they should contact them by. This list is not complete and will be updated accordingly.
