

BBSRC Mid-Range Equipment Funding ALERT 2022

Pre-submission checklist

- Requested equipment is over £200k including VAT.
- The proposal requests **capital funding only** and does not request staff time or other ineligible costs.
- The proposal is not supporting development of a new technology or of software packages.
- The proposal includes at least three quotes (or reasons not to include three quotes are clearly stated in the Case for Support).
- Quotes are provided in GBP. When quotes are not provided in GBP the conversion rate used is clearly stated in the Case for Support.
- Requested funds in the Je-S form match quotes and funds in the justification of resources.
- The proposal does not exceed 12 months in duration. Grants must start by 1 August 2023 at the very latest. No slippage will be allowed to this date, and grant extensions will not be allowed under any circumstances.
- The Institutional environment underpinning the requested equipment is addressed in the Case for Support.
- The proposal presents a case for multi-user and multi-project use of the equipment.
- The proposal presents evidence that the equipment would have appropriate professional/technical support in the host institution and plans for the need for training and support of users.
