

#### 1. Introduction

Thank you for your interest to join the STFC Science Board (Facilities and Laboratories) - the position of Deputy Chair / Chair. Please read the role profiles and expertise requirements for the positions and provide evidence of how your expertise and experience address these criteria.

All selection outcomes will be communicated to the STFC Science Board (Facilities and Laboratories) membership applicants in Summer 2023.

If you have any questions, please contact psg@stfc.ukri.org or rebecca.lee@stfc.ukri.org

#### 2. Please note:

Your progress with the form will be autosaved if you use the same device. You must press the 'Next' button at the bottom of the page to ensure that your response to a particular question is saved. You will need to use 'Prev' and 'Next' buttons in the application form rather than those on your web browser. \*NO information would be saved if the history/cookies of your web browser are deleted. This online form is secured, it should display 'a lock' next to the weblink.

Once the for his silbnitted amendments or ido tions canno be reade

If you have any issues with this form, please contact psg@stfc.ukri.org.

Any questions marked with \* required asterisks are mandatory. Please submit your application by 23:45 BST on 16 April 2023.

Please note we may send you a reminder prior to the deadline if your application has not been submitted. This form automatically saves information you enter.

#### 3. UK Research and Innovation privacy notice

All personal data provided to UKRI in connection to applications for membership of the STFC Advisory Bodies and Peer Review Panels via the application form (Survey Monkey) will be processed in accordance with current UK data protection legislation.

Further information on how we use personal data and how you can exercise your rights as a data subject can be found on the DK Risecrch and him wation Privacy Notice (www.ukri.org/about-us/privacy-notice/).

\*By providing your information you are giving consent for STFC to its use as detailed above.

4. Your information

* Your details:	
Title	
Name	
Surname	
Preferred Email Address	
Preferred Contact Telephone Number  * Institution O	rranisation:
* Address of Instit	ution / Organisation:
Address	
City/Town	
ZIP/Postal Code	
Country	
* Are you JeS re	egistered?
○ No	
	enter your PID number below. This is a seven or eight character ID on your JeS starts and ends with a letter)

5. Current position

* Please select all that apply		
Associate Professor or	Engineer	Reader or equivalent
equivalent	Freelance	Research Associate
☐ CEO	Group Leader	Scientist
Consultant	Lecturer or equivalent	Senior Lecturer or
Dean	Postdoc	equivalent
Deputy Director	Post-Doctoral Research	STFC Fellow
Director	Assistant or equivalent	UKRI Fellow
Emeritus/Emerita Professor or equivalent	Professor or equivalent	
Other (please specify)		
nr	$\alpha$	N A /
U	CVIC	VV

6. Which sector are you applying from?

* Please indicate only those affiliations which form a substantive part of your current role.
Academia
Civil Society, including charities
Government Organisation
☐ Industry
☐ Non-Governmental Organisation
Research Institute
Other (please specify)

#### 7. Are you Facilities User?

NO applicants will be downscaled if they are not facilities users and if this is not a criterion for selection.

* Do you use/have you used any of the Facilities below? (please tick all that apply)
☐ Diamond Light Source
Central Laser Facility (STFC)
The European Synchrotron Radiation Facility (ESRF)
☐ The European Spallation Source (ESS)
The Institut Laue-Langevin (ILL)
SIS Neutron and Muon Source (STFC)
The European X-Ray Free-Electron Laser Facility (European XFEL)
European Molecular Biology Laboratory (EMBL)
Other (please spacifi)

8. Your expertise

Your scientific areas of resea	arch / interests (please select	all that apply if applicable).
Accelerator physics	☐ Electronics	Particle Astrophysics
Accelerators, including technology	Engineering / including specialist engineering	Particle Physics
Artificial intelligence, including robotics	☐ Energy frontier ☐ General relativity	☐ Public engagement ☐ Quantum gravity / Classical gravity
Extra galactic / near universe	Healthcare	Scientific exploitation of
Biology	High energy collider physics	facilities and projects  Soft materials
Blue skies technology / research	Instrumentation	Solar or planetary physics
Computational science	Lasers, including laser- plasma interactions	Statistical physics
Computing, including scientific / high performance / throughput computing	Life Science  Material Science	String theory  Theory - please specify in 'Other' box
Construction	Neutrinos	☐ Theoretical astronomy
Cosmology	Non-accelerator physics	☐ Theoretical plasma physics
☐ Cryogenics ☐ Dark Matter	<ul><li>Nuclear Physics</li><li>Nuclear Theory</li></ul>	X-ray and neutron
Data technology / research	Optics	Quantum Technologies
Detectors, including analytical system ( R&D	ovio	
E-infrastructore	evie	'W
Other - please specify.		

# preview

#### 9. Your expertise (continued)

This can be your skills or subject knowledge in addition to the previously indicated scientific area(s).

* Please choose any that app	ly:	
Career development	☐ Industrial challenge	Project Management /
Commercialisation	☐ Industry applied research	PMQ (APM) / Level D (IPMA) / PMP (PMI) or
Communication	International	equivalent
Conduction of	collaboration	Public engagement
internationally respected research in a research in a research	<ul><li>Intellectual property management and exploitation</li></ul>	Research infrastructure management
Economic impact	International funding landscape	Research support for teams in STEM area(s)
Environmental impact		Researcher development
Equality, diversity and inclusion	<ul><li>Knowledge exchange</li><li>Leadership</li></ul>	Societal impact
Experiment	Management of	Sustainability
Facilities User	large/complex projects	Technology / including technology transfer
☐ Industrial experience and collaboration	<ul><li>Management of/provision for computing resources</li></ul>	☐ Translational research
Industry/producing	Manufacturing	Theory (please specify below)
impact from scientific projects	Policy development	unde standing of the UK
Other - please specify

10. Role you are applying for:

\* Please indicate if you have a preference for the role which you are applying for:

By selecting 'Either' you are indicating that you would be willing to be considered for both roles.

#### 11. Panel selection and your personal statement

PLEASE NOTE the evidence provided in this section will be compared against <u>the selection criteria of the STFC Science Board (Facilities and Laboratories) - the roles for the Deputy Chair/Chair.</u>

* Please include evidence of how your previously indicated expertise, subject knowledge, skills, interests, behaviours, and experiences are related to the vacancy applied for. What can you offer to this role? (naximum 500 words, you can use copy
we only assess the evidence you provide in this form against on criteria. Lack of evidence in your statement will result in an unsuccessful application.

#### 12. Additional information

This can include:

- INVOLVEMENT IN GROUPS: please provide details of your involvement in any relevant advisory, strategic, policy, assessment or similar panels, boards or committees.
- INDUSTRIAL EXPERIENCE / RESEARCH COMMERCIALISATION: relevant details of your interactions with industry. For example, industrial employment, industry-academia collaborations, consultancy, development of spin-out companies, or product development etc.
- INVOLVEMENT IN EXPERIMENTS: please specify.

ease provide additional information if applicable, (500 words max, you can use copy
nd paste function).

#### 13. Possible conflict(s) of interests

Any possible conflict(s) of interests should be declared. This can include an institutional or project conflict. Any possible conflict(s) of interests should be declared. This can include an institutional or project conflict. You can find out more information on why STFC needs to be informed of conflict(s) of interests from the UK Research and Innovation statement <a href="https://www.ukri.org/about-us/how-we-are-governed/conflicts-of-interests/">https://www.ukri.org/about-us/how-we-are-governed/conflicts-of-interests/</a> and the Conflict of Interest Policy <a href="https://www.ukri.org/wp-content/uploads/2020/11/UKRI-171120-ConflictsOfInterestPolicy-Dec19.pdf.pdf">https://www.ukri.org/wp-content/uploads/2020/11/UKRI-171120-ConflictsOfInterestPolicy-Dec19.pdf.pdf</a>

Suitability for appointment. Please note if you successful we will contact you regarding further disclosure of conflict of interests and research integrity. More information about Research Integrity, Policy and Guidelines on the Governance of Good Research Conduct, and Bullying and Harassment can be found on the UKRI website.

Please provide bri if details if you have any d	nflict of interests (1.0 w. ds max).

#### 14. Advertisement and stakeholder engagement

Answering this question will help us to target our adverts better in the future. This information is collected for monitoring purposes and stakeholder engagement only and it will not be shared with the STFC Office Staff.

* Where did you see the adve	rt for these positions?	
☐ Email	Science / Research	Facebook
☐ Word of	community	STFC Mailing
mouth/recommendation	Event	list/newsletter
☐ Town meeting	Head of Ly orgalisation department / group	<b></b>
STFC staff	Social media	LinkedIn
From a previous/current STFC Panel Member	Twitter	
STFC National labs	YouTube	
Other (please specify)		

#### 15. Equal opportunities monitoring information

STFC is committed to equality and inclusion. We recognise that diverse ideas, experiences, background and perspectives are fundamental to successful science and innovation and we are committed to ensuring that our Committees, Panels and Boards are representative of our community.

This information is used to assess how effectively we deliver our EDI objectives and meet our public sector equality duty in particular to remove barriers and promote equality of opportunity.

Whilst it is voluntary to share this information, doing so enables us to better understand the diversity of our applicants. All data will be treated in confidence and in line with the UKRI's data protection procedures and can be found on the UK Research and Innovation Privacy Notice (<a href="https://www.ukri.org/about-us/privacy-notice/">https://www.ukri.org/about-us/privacy-notice/</a>).

Only STFC designated staff who do not participate in the assessment process will see the equal opportunities information for monitoring purposes.

Please note that at the final appointment stages where applicants are as qualified on merit, the selection panel will stack to actieve a lala need helpfork hip in terms of, for example, diversity, expert se and experience.

16. Equal opportunities - age

Please enter your Date of Birth or SKIP by using 'Next' button if you 'prefer not to say'.

17. Equal opportunities - ethnic group

What is your ethnic group?

# preview

18. Equal opportunities - sex

3. Equal opportunities - sex

What is your set?

- Female
- O Prefer not to say

#### 19. Equal opportunities - sexual orientation

Terminology:

'Bisexual is an umbrella term used to describe a romantic and/or sexual orientation towards more than one gender. Bisexual people may describe themselves using one or more of a wide variety of terms, including, but not limited to, bisexual, pan, queer, and some other non-monosexual and non-monoromantic identities.'

Which of the following best describes your	sexual orientation?
Straight/Leten sext a	IOM
Gay or Le bian	ıew
◯ Bisexual	
Prefer not to say	
Prefer to self-describe	

#### 20. Equal opportunities - disability

The Equality Act 2010 considers a person disabled if they have a physical or mental impairment or disability that has lasted, or is likely to last, at least 12 months which has a substantial and long-term adverse effect on their ability to carry out normal day-to-day activities – examples include: a specific learning difficulty e.g. dyslexia, being blind/partially sighted, being deaf/having a hearing impairment, being a wheelchair user/having mobility difficulties, having mental health difficulties, having an autistic spectrum disorder, having an unseen disability, e.g. diabetes, epilepsy, asthma, having multiple disabilities.

Do you consider yourself to have an impairment, health condition or learning difference that has a substantial or long-term impact on your ability to carry out day-to-day activities?

Yes

- No
- O Prefer not to say

#### 21. Equal opportunities - further Information

This information will be taken in consideration and will help us to assess your application equally.

Are there any further considerations that may affect the amount or quality of evidence provided e.g. career breaks, long term illness, injury or disability, family or caring responsibilities, parental leave, working in non-academic employment, or relocation of research group? This information will be taken in consideration and will help us to assess your application equally so please let us know if you want us to draw any information to the selection panel's attention by providing the details below.

(200 words max.)

* Are you happy for us to process the information you have shared in the equ	ıal
opportunities form for monitoring purposes?	

O Yes

O No

#### 22. End of application form

Thank you for your application to the STFC Science Board (Facilities and Laboratories).

Please note: amendments or additions cannot be made to a submitted form.

#### Please submit your application by 23:45 BST on 16 April 2023.

\*Please note we may send you a reminder prior to the deadline if your application has not been submitted.

If you have any issues, please contact psg@stfc.ukri.org

Please press the 'submit' button below. Once you submit, you will be directed to the STFC Membership Call Webpage.

Please note there will be NO automated copy of your application emailed to you, please accept our a sology. However, this can be supplied by making an individual request via psg@strs.ukr.or.

All selection outcomes will be communicated to applicants in Summer 2023.

We will launch our annual Panel Membership Call 2023 in March. You are welcome to apply for other STFC Panels.
