

Manufacturing Hubs for a Sustainable Future two: outline outcomes

Sixteen Manufacturing Hubs for a Sustainable Future two outlines have been invited through to the full stage opportunity, and where explicit permission was given, details are listed below:

Grant reference	PI Name	Holding organisation	Grant title
EP/Y025466/1	Professor Z Fan	Brunel University London	The Manufacturing Research Hub in Metallurgy 2.0 - The Met2.0 Hub
EP/Y025199/1	Professor PM Smowton	Cardiff University	Compound Semiconductor Manufacturing Hub for a Sustainable Future
EP/Y025547/1	Professor M Maroto-Valer	Heriot-Watt University	FutureChem Manufacturing Hub
EP/Y025431/1	Professor M Price	Queen's University of Belfast	Designing Net Zero
EP/Y025563/1	Prof. OBE S Nefti-Meziani	University of Birmingham	UK Hub for Resource Enabled Sustainable Circular Automation Manufacturing (RESCU-M)
EP/Y025539/1	Professor Dame X Jiang	University of Huddersfield	Advanced Metrology Hub for Sustainable Manufacturing
EP/Y025482/1	Professor M Basheer	University of Leeds	SYSTEMS-BASED MANUFACTURING RESEARCH HUB FOR IMPROVED CONCRETE CONSTRUCTION PRODUCTIVITY AND SUSTAINABILITY (SICOPS)
EP/Y025369/1	Professor CK Williams	University of Oxford	The Sustainable Chemicals and Materials Manufacturing Hub (SCHEMA)
EP/Y024796/1	Dr S Brown	University of Sheffield	SuMBatt: EPSRC Sustainable Manufacturing Hub in High-Value Batteries
EP/Y025288/1	Professor SG Pierce	University of Strathclyde	Value 4 Life
EP/Y02558X/1	Professor AJ Florence	University of Strathclyde	EPSRC MediForge: Industry 5.0 Medicines Manufacturing Research Hub
EP/Y025520/1	Professor KE Kirwan	University of Warwick	Manufacturing Hub for Future Mobility
EP/Y025636/1	Professor P Meredith	Swansea University	ActiveSIN-0: Semiconductor Innovation for Net Zero Sustainable Manufacturing Research Hub
EP/Y025385/1	Professor J Cabral	Imperial College London	Sustainable Formulations Manufacturing Hub (FORMA)
