Dear Vice-Chancellor or Principal

Notice of funding

1. Research England has allocated the remaining formula-based funding for academic year 2023 to 2024 to higher education providers (HEPs). The following funds have now been issued, in addition to those published in August 2023:
 - Higher Education Innovation Funding (HEIF) Business and Commercialisation Supplement
 - Participatory Research Fund
 - Policy Support Fund
 - Specialist Provider Element
2. Allocations for each HEP in receipt of these funds have been added to Table 3 of workbook [Research England grant allocations data 2023 to 2024](#). This workbook now contains all of our expected formula funding allocations for the academic and financial year 2023 to 2024.

Further information

3. Our publication [Research England grant allocations basis 2023 to 2024](#) provides the background for our funding allocations. Information on further publications to support understanding of our allocations is also available in its Annexes.
4. Payment information for our formula-based funding for 2023 to 2024, including payment profiles, is available via our [funding allocations web pages](#).
5. Questions about these allocations should be directed to annualfunding@re.ukri.org.

Yours faithfully
