Melania	Tarquino	Member of NERC Future Leaders Council	Nil return	Nil return	Strategic Energy lead for Surrey County Council	Surrey County Council participates in some projects funded by the Innovate UK's "Net zero living: Pioneer places" programme. We are partners to the "Shift to Net Zero" project and we are a collaborator to the "Heathrow Local Offsets Market" project. Both projects run between April to June 2023, and both will seek to obtain funding for the second phase of the Net Zero Living programme from June 2023 until 2025. My role for these projects is mainly technical oversight. At Surrey County Council we might decide to submit application for future funding opportunities from Innovate UK.
