## 1. Agreement Overview

This SLA is made between *Aecom Ltd* and *UK Research and Innovation* for the provision of Construction Consultancy Services. This SLA remains valid until superseded by a revised agreement mutually endorsed by both parties. This SLA outlines the parameters for all Construction Consultancy Services covered as they are mutually understood by the primary stakeholders.

The Framework terms and conditions (including the Specification) will apply in all instances, unless specifically agreed otherwise by both parties within this document.

## 2. Goals & Objectives

The **purpose** of this SLA is to ensure that the proper elements and commitments are in place to provide consistent Construction Consultancy Services to the Customer by the Supplier. The **goal** of this SLA is to obtain mutual agreement for the provision of Construction Consultancy Services between the Supplier and Customer.

The **objectives** of this SLA are to:

- provide clear reference to service ownership, accountability, roles and/or responsibilities; and
- present a clear, concise and measurable description of service provision to the customer.

## 3. Stakeholders

The primary contact from the Supplier and the Customer will be responsible for the day-to-date management of the SLA and the delivery of the Services. If different from the Authorised Signatory details listed on page 1 of this SLA, please provide the names of the **primary contact** associated with this SLA below:

**Supplier Contact:** FOIA Section 40 Personal Information

**Customer Contact:** FOIA Section 40 Personal Information

**I. Complaints and Escalation Procedure**

In the first instance, the Customer and Supplier should work together and attempt to resolve any issues locally. Should this approach fail to result in a satisfactory outcome for the Customer, the issue should be escalated to NHS SBS. NHS SBS will then attempt to resolve the issue to the satisfaction of the Customer. Should this approach not result in a satisfactory outcome, the Customer may decide to terminate this SLA in accordance with the terms of the Framework.

**J. Audit Process**

N/A

**K. Termination**

Persistent failure by the Supplier to meet the agreed service levels as specified within the SLA may lead to the Contract being terminated or alternative Contractor(s) being appointed by the Customer to maintain levels of service.

Prior to termination the complaints and escalation procedure should be followed to attempt to resolve any issue. Should this approach not result in a satisfactory outcome, the Customer may decide to terminate the SLA in accordance with the terms of the Framework.
