

Belmont Forum (BF CEH) DEC19

Grant Reference	Lead / Sole Grant	Grant Holder	Research Organisation	Project Title	Call
NE/T013656/1	Y	Ilan Kelman	University College London	Community collective action to respond to climate change influencing the environment-health nexus	Belmont Forum (BF CEH) DEC19
NE/T01363X/1	N	John Marsham	University of Leeds	CHAMNHA Climate, heat and maternal and neonatal health in Africa	Belmont Forum (BF CEH) DEC19
NE/T013613/1	Y	Sari Kovats	London Sch of Hygiene & Tropic. Medicine	CHAMNHA: Climate, heat and maternal and neonatal health in Africa	Belmont Forum (BF CEH) DEC19
NE/T013702/1	Y	Rebekah Lucas	University of Birmingham	Protection Resilience Efficiency and Prevention for workers in industrial agriculture in a changing climate	Belmont Forum (BF CEH) DEC19
NE/T013672/1	Y	Steve Arnold	University of Leeds	Arctic Community Resilience to Boreal Environmental change: Assessing Risks from fire and disease (ACRoBEAR)	Belmont Forum (BF CEH) DEC19
NE/T013664/1	Y	Patty Kostkova	University College London	Mosquitoes populations modelling for early warning system and rapid response public by health authorities correlating climate, weather and spatial-tem	Belmont Forum (BF CEH) DEC19
NE/T013591/1	Y	Andrew Brierley	University of St Andrews	Integrated risk mapping and targeted snail control to support schistosomiasis elimination in Brazil and Cote d'Ivoire under future climate change	Belmont Forum (BF CEH) DEC19
NE/T013621/1	Y	Jane Memmott	University of Bristol	The Pollination of Nepal's Micronutrient-rich Crops in a Changing Climate	Belmont Forum (BF CEH) DEC19
NE/T013710/1	N			Not funded	Belmont Forum (BF CEH) DEC19
