## **Introduction**

### **UK Research and Innovation Training Grants Standard Terms and Conditions of Training Grant**

These Standard Terms and Conditions of Training Grant relate to Training Grants, awarded to Research Organisations by the following seven UK Research and Innovation (UKRI) Councils:

Arts and Humanities Research Council (AHRC)  
Biotechnology and Biological Sciences Research Council (BBSRC)  
Economic and Social Research Council (ESRC)  
Engineering and Physical Sciences Research Council (EPSRC)  
Medical Research Council (MRC)  
Natural Environment Research Council (NERC)  
Science and Technology Facilities Council (STFC)

**Please note - Changes to terms and conditions related to COVID-19 Pandemic are included in Appendix A.**

## **Application of Standard Terms and Conditions of Training Grant**

In these Standard Terms and Conditions of Training Grant, the words “**We**”, “**Our**” or “**Us**” refer to **the relevant Council of UKRI awarding the Training Grant** and “**You**” or “**Your**” refer to the **Research Organisation in receipt of the Training Grant**. Other key terms used in these Standard Terms and Conditions of Training Grant are set out in the Definitions attached at Annex A.

These Standard Terms and Conditions of Training Grant, together with any applicable Specific Terms and Conditions of Training Grant required by an individual Council of UKRI, comprise the Training Grant Terms and Conditions on which UKRI awards the Training Grant to the Research Organisation. Specific Terms and Conditions of Training Grant will be set out in the Grant Offer Letter.

These Training Grant Terms and Conditions should be read in conjunction with the sources outlined in Annex B, in the event of any conflict the terms of these Conditions should prevail.

## **Use of Training Grant Information**

UK Research and Innovation (UKRI) handles all personal data in accordance with current UK data protection legislation and the EU General Data Protection Regulation (GDPR) where appropriate.

It is the responsibility of the Research Organisation to ensure that both students it funds from UKRI funding and individuals who receive grant funding, or who are later involved in the award, are made aware of how personal data may be used by both UKRI and the Research Organisation. This includes information relating to groups such as students, supervisors, project partners, investigators, named researchers and support staff.

To meet UKRI’s obligations for public accountability and the dissemination of information, contents of funded research proposals will also be made available on the Councils’ websites and other publicly available sources. As a condition of funding, UKRI may use the data to publish information on awards made. We may also share information with third parties to support, for example, open access publication and reporting outcomes via Researchfish.

This includes data submitted through Je-S Student Details (SD).

UKRI is also subject to the UK Freedom of Information Act (2000) and the Environmental Information Regulations (2004) and may be required to release grant information on request, subject to appropriate exemptions.

Further information is provided by the UKRI Use of grant proposal information addendum (<https://www.ukri.org/manage-your-award/meeting-ukri-terms-and-conditions-for-funding/>) and via the UKRI Privacy Notice (<https://www.ukri.org/who-we-are/privacy-notice/>).

## **Standard Terms and Conditions of Training Grant**

### **TGC 1 Variation to Terms and Conditions**

UKRI reserves the right to amend and vary these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant or applicable policies at any time. The latest version of the Standard Terms and Conditions of Training Grant apply to all Training Grants with immediate effect and supersede any previous Standard Terms and Conditions under which a Training Grant was awarded unless otherwise stated. However, any Specific Terms and Conditions of Training Grant will still apply. Additional costs incurred as a direct result of changes made to Our Terms and Conditions should be managed within the Training Grant cash limit. Where the cash limit is exceeded solely due to costs incurred as a direct result of changes made to Our Terms and Conditions, a case can be made to Us for additional funds on an exceptional basis. The latest version of the Standard Terms and Conditions of Training Grant are available on the UKRI website at:

<https://www.ukri.org/manage-your-award/meeting-ukri-terms-and-conditions-for-funding/>

### **TGC 2 Accountability & Responsibilities of the Research Organisation**

**TGC 2.1** You are responsible for ensuring that any Training Grant activity carried out by You, Students, Supervisors and any Third Parties, comply with these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant.

**TGC 2.2** You must ensure that the research supported by the Training Grant is carried out in accordance with all applicable ethical, legal and regulatory requirements including but not limited to relevant provisions of the General Data Protection Regulation, the Data Protection Act 2018, the Bribery Act 2010, the Fraud Act 2006, the Equality Act 2010 and the Modern Slavery Act 2015.

**TGC 2.3.4** No subcontract or other agreement with a Third Party can be made which would constitute a breach of the Subsidy Control Act 2022.

**TGC 2.3.5** The EU State Aid regulations will apply to the Training Grant funding where You have returned the Grant Offer Acceptance document before 1 January 2021 or where the Training Grant funding will affect trade between Northern Ireland and the EU as envisaged by Article 10 of the Protocol on Ireland/Northern Ireland in the EU Withdrawal Agreement. In such cases, TGC 2.3.6 to TGC 2.3.11 below will apply instead of TGC 2.3.1 to TGC 2.3.4.

**TGC 2.3.6** Where You have been informed that Your use of the Training Grant counts as either De Minimis or has been awarded the UKRI Research, Development and Innovation Scheme operating under Commission Regulation (EU) No 651/2014 (the General Block Exemption Regulation (GBER)) and subsequent amendment, You must ensure at all times that You are compliant with the State Aid regulations under which the Training Grant has been awarded.

**TGC 2.3.7** You must inform Us of any other public funding applied for or awarded against the eligible costs covered by this Training Grant. It is Your responsibility to ensure that the cumulative total of public funding and aid intensity You are receiving for the Training Grant does not exceed those limits stated under De Minimis or GBER. You must ensure that You comply with State Aid rules, which are those rules contained in Articles 107 to 109 of Section 2, Title VII, of the Common Rules on Competition, Taxation and Approximation of Laws, Consolidated versions of the Treaty on European Union and the Treaty on the Functioning of the European Union (2008/C 115/01).

**TGC 2.3.9** Where You are required by an order of the European Commission to repay any Grant to Us that is found to be unlawful State Aid, interest will be charged on the amount being reclaimed from the date of payment at the applicable legislated rate.

**TGC 2.3.10** No subcontract or other agreement with a Third Party can be made which would constitute a breach of Your obligations under the EU State Aid regulations.

**TGC 2.3.11** You acknowledge that We may be required to provide the European Commission with information about the financial assistance given to You by Us and You agree to provide such assistance as We shall reasonably request.

**TGC 2.4** You are accountable for the conduct of the research activity funded by the Training Grant, the use of public funds and the proper financial management of the Training Grant in accordance with these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant, whether the research activity is carried out by You, Students, Supervisors or other Third Parties.

Where due diligence checks identify a potential risk, You must ensure that appropriate mitigations are in place to manage that risk before any Student research activity and/or collaboration affected by the risk begins/is continued. Due Diligence must be undertaken in line with UKRI's Principles on Trusted Research and Innovation: <https://www.ukri.org/manage-your-award/good-research-resource-hub/trusted-research-and-innovation/>

**TGC 2.12** You are responsible for ensuring that Students and Supervisors have access to effective procedures for resolving problems, including complaints, arising from the administration and supervision of the Studentship. In addition, You are responsible for ensuring that Students are aware of the guidance for Students available from the Quality Assurance Agency (QAA) relating to dealing with complaints about universities. Guidance is also available from the Office of the Independent Adjudicator for Higher Education (OIAHE) if you are registered in England or Wales, the Scottish Public Services Ombudsman in Scotland and the Northern Ireland Public Services Ombudsman if you are registered in Northern Ireland.

A Student must not be expected to bear the cost of any shortfall in funding. Notwithstanding any Specific Conditions, the research undertaken by a Student as part of a Studentship must fall predominantly within the remit of the Council(s) funding that Studentship. One Council must always be designated as the majority funder for monitoring and information purposes.

**TGC 4.6** Remuneration costs for duties considered to constitute employment, such as demonstration and teaching, must not be taken from the Student's stipend covered by the Training Grant or Training Account.

**TGC 4.7** You may incorporate costs associated with the administration of training, advertising costs and open days, into the fee level that You charge to the Training Grant, these costs may not be taken from the Training Grant other than through the fee level, unless explicitly stated otherwise within any Specific Terms and Conditions of the Training Grant. In addition, these fees must be equal to the level of fee used for UK non-UKRI funded Students on similar programmes. Where this fee is higher than the annual rate set by Us, You may draw this from the Training Grant subject to any Specific Conditions. Home Students must not be charged additional fees, above the level paid by Us. For International students, You are able to claim the difference between home and International fees from other sources, but these costs may not be taken from the Training Grant or other UKRI funding.

Bench fees, when not incorporated into Fees, are permissible costs when they are for a specifically costed facility required for the student's research project. We do not permit an automatic or blanket fee being applied to all studentships without account for their needs.

## **TGC 5 Starting Procedures and Training Grant Arrangements**

### **TGC 5.1 Starting Procedures**

### **TGC 6.1 Extensions**

**TGC 6.1.1** The period of a Student's support must be extended in line with these Training Grant Terms and Conditions, to offset a period of absence for maternity leave, ordinary paternity leave, adoption leave, unpaid parental leave, absences covered by a medical certificate and extended jury service, this must be in line with TGC 8.1 and TGC 8.2. The total period of an agreed extension must not normally exceed 12 months during the lifetime of an award. Please see TGC 8.4 for further information.

**TGC 6.1.2** You must agree the start and end dates for the funded period of study at the outset, these must not be amended during the doctoral project unless TGC 6.1.1 or exceptional circumstances apply, including suspensions in line with the awarding Council's guidance. You must not, without consultation with Us, agree more than one change of mode of study during any one Studentship or a change of mode of study in the final six months of a Studentship.

**TGC 7.1.2** The Training Grant will not be amended to take account of the transfer of a Student from one Research Organisation to another or from one department to another within the Research Organisation.

**TGC 7.1.3** You must not agree a transfer of Studentship to an institution which is not eligible for Our funding or, agree a transfer to a programme of study which falls wholly outside of the remit of either the awarding Council or, where applicable, the Training Grant.

**TGC 7.1.4** Where the Student ceases to continue to study toward a doctoral award, but instead continues to work towards a Master's qualification, You are permitted to fund the Student up to the date that their dissertation is first submitted. Otherwise, the award must be terminated from the date that the Student's registration ceases. When an award is terminated, We must be informed through the Je-S Student Details. Any funding paid to the Student to cover the period after their registration ceased must be reclaimed, any unrecovered funds must be met by You and cannot be charged to the Training Grant.

non-financial sanctions being imposed.

**TGC 7.2.2** You must inform Us of any changes to the Studentship that may potentially breach any applicable Subsidy Control Act 2022 or State Aid regulation. In addition, You must inform Us of any significant changes to the Student's research project funded from the Training Grant within one month of the change being formally agreed by You, including change of Supervisor or project objectives, by updating the Je-S Student Details.

**TGC 7.2.4** You must return information via the Je-S submission rate survey relating to the submission of the Student's thesis.

**TGC 7.2.5** Where the award of a doctoral degree has not been recommended, You must amend Je-S Student Details to reflect the actual degree awarded. If a Student submits a doctoral level thesis and is subsequently awarded a lower degree e.g. MPhil, the Research Organisation should record this within Je-S Student Details as 'No Degree Awarded'.

**TGC 7.2.6** Students must use Our nominated online system to submit information for monitoring and evaluation purposes on the outputs and outcomes and impacts of the research activity during and for some years after the expiry of the Studentship end date. Further information on reporting requirements can be found on the UKRI website at: <https://www.ukri.org/apply-for-funding/manage-your-%20funding-award/report-your-research-outcomes/>

We may disclose Confidential Information to the minimum extent required by any law or regulation (provided, in the case of a disclosure required under the Freedom of Information Act 2000 or Environmental Information Regulations 2004, none of the exceptions within such Act or Regulations applies to the information disclosed), any governmental or other regulatory authority, or a court or other authority of competent jurisdiction.

**TGC 7.3.2** If We request it, You must provide a statement of account for the Training Grant, independently examined by an auditor who is a member of a recognised professional body, certifying that the expenditure has been incurred in accordance with the Training Grant Terms and Conditions.

**TGC 7.3.3** You must report to us any investigations into research misconduct associated with the Training Grant within one month of deciding to undertake a formal investigation, and subsequently notify Us of the findings and any actions taken as described in the Policy on the Governance of Good Research Practice: <https://www.ukri.org/publications/ukri-policy-on-the-governance-of-good-research-practice/>. Upon request You must provide information on Your management of research integrity and ethics as described in the above policy. In addition, You must provide details of any allegations, proven or not, of cases of fraud or attempted fraud and any other complaint or investigation into dishonesty, fraudulent activities or business misconduct, by any regulatory body or the police into Your activities or those of Your staff as soon as this becomes known to You. It is a requirement that any instances of Fraud or attempted Fraud relating to funding received by You from Us, should be reported to [FundingAssurance@ukri.org](mailto:FundingAssurance@ukri.org)

**TGC 7.3.4** We will undertake periodic reviews of Research Organisations within the UKRI Funding Assurance Programme (FAP) to seek assurance that Training Grants are managed in accordance with the Terms and Conditions under which they are awarded.

## **TGC 8 Absence**

### **TGC 8.1 Parental Leave**

Although individuals funded under these terms and conditions do not have a statutory entitlement to maternity, paternity or adoption leave, UKRI will provide funding for leave entitlements which mirror the statutory schemes in force at the time. UKRI also provides an unpaid parental leave scheme.

UKRI funded Students are entitled to 52 weeks of maternity-equivalent leave if the expected week of childbirth will occur during the period of their award. The earliest Maternity leave can commence is 11 weeks before the expected week of childbirth. The main adopter of a child placed during a studentship is also entitled to 52 weeks of leave.

Where a student takes a period of leave equivalent to maternity leave, or adoption leave taken by the main adopter only, Students will have the right to the following payment terms. The first 26 weeks should be paid at full stipend rate, pro-rated as necessary for part time Students. The following 13 weeks should be paid at a level commensurate with statutory maternity pay. The final 13 weeks are not paid.

Students who would be entitled to paternity leave under the statutory scheme are entitled to up to two weeks paid Ordinary Paternity Leave on full stipend. Ordinary Paternity Leave cannot start before the birth and must end within 56 days of the birth.

Under the unpaid parental leave scheme, eligible students will be entitled to an extended period of unpaid parental leave, up to a maximum of 50 weeks, with their studentship extended accordingly.

In respect of birth parents, eligible students are those who will share primary responsibility for the child with its birth mother. In respect of adoptive parents, eligible students are those who are the spouse, partner or civil partner or the primary adopter. Students are only entitled to take one of either maternity/adoption-equivalent leave or unpaid parental leave per birth/placement of a child.

Unpaid parental leave must be completed within 12 months of the birth or placement of the child. This leave may be taken in up to three blocks of leave or all at once.

There is no qualifying period for maternity, paternity, parental or adoption leave. Additionally, their Studentship end date should be updated to reflect the period of leave.

The RO should support pregnant students and their partners in attending antenatal or medical appointments. The RO should permit pregnant students leave from their studentship to attend antenatal and medical appointments with no deduction from their stipend.

A student who is a partner of someone who is pregnant should be permitted leave to attend a minimum of two antenatal appointments, for a maximum of 6.5 hours per appointment.

### **TGC 8.2 Sick Leave**

Payment of a Studentship must continue for absences covered by a medical certificate for up to thirteen weeks within a rolling 12-month period. If the illness lasts for more than thirteen weeks You must suspend the Studentship for the period beyond the thirteen weeks.

### **TGC 8.3 Annual Leave**

You should ensure that a clear policy on paid annual leave entitlement exists and that the Student is made aware of this at the start of their Studentship. Reasonable paid holidays, a minimum of 30 days to a maximum of eight weeks per year to include public holidays is recommended and should be allowed for by Supervisors (pro rata for part time students). Annual leave comes out of the existing time frame for the studentship and the studentship will not be extended to accommodate this. Students undertaking work in collaboration with non-academic partners are expected to consider their obligations to those partners in planning leave.

#### **TGC 8.3.1 Other leave**

Research Organisations are expected to have a policy in place to support students requiring short-term time off for emergencies and/or compassionate leave, giving due consideration to requests in such circumstances. This should provide for paid and unpaid leave, dependent on the individual circumstances. At a minimum, bereaved parents should be entitled to two weeks paid leave in the event of the death of a child under 18 years of age. For other emergencies and/or compassionate

leave the exact number of paid days will depend on the individual circumstances but would not usually be more than 5 days. Stillbirths after 24 weeks should be treated in the same way as a live birth.

#### **TGC 8.4 Absence Costs**

At Our discretion compensation may be given to You at the end of the Training Grant to cover additional costs arising from a period of genuine absence in the event that there are insufficient funds in Your Training Account to meet these costs. You must demonstrate a lack of flexibility to meet these costs and an absence of other contingency funding or concurrent Training Grants from which You can draw in order to meet these costs. You may request these costs when completing the Final Expenditure Statement for the Training Grant.

#### **TGC 9 Financial Reporting**

**TGC 9.1** You are accountable for funds dispersed and are responsible for the timely and accurate submission of all expenditure reports required under the Terms and Conditions of Training Grant, including the submission of an expenditure statement within 3 months of the end of the Training Grant Period. We are entitled to require You to provide supplementary information in support of an interim or final expenditure statement. Once an expenditure statement has been received and the expenditure incurred has been reconciled against payments made, it will be considered as final.

Any unspent funds will be recovered.

**TGC 9.2** You must retain all accounting information relating to the Training Grant for the current financial year plus the subsequent six years after the submission date of the final expenditure statement.

**TGC 9.3** If We send an Annual Statement showing payments made by UKRI to You during the previous financial year for all Grants, including Training Grants, You must complete and return the statement by the specified deadline.

#### **TGC 10 Sanctions**

**TGC 10.1** We reserve the right to impose financial sanctions and/or additional measures if You do not comply with Your obligations as set out in these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant.

**TGC 10.2** If the Financial Expenditure Statement is not received within 3 months of the end of the Training Grant Period, UKRI will recover 20% of expenditure incurred on the Training Grant. All payments will be recovered if the report or statement is not received within 6 months of the end of the Training Grant Period. You may appeal against a sanction but must do so within 60 days of the pay run in which the sanction was imposed.

#### **TGC 11 Exploitation, Impact and Acknowledgement**

**TGC 11.1** You are responsible for the arrangements relating to the ownership and management of intellectual property. You are expected to put in place an agreement regarding the relative contributions to the creation of intellectual property and any associated revenue sharing arrangements before any commercialisation or exploitation commences.

**TGC 11.2** You are responsible for ensuring that all parties engaged in the research or training make every reasonable effort to ensure that the intellectual assets obtained in the course of the research, whether protected by intellectual property rights or not, are used to the benefit of society and the economy.

**TGC 11.3** In individual cases, We reserve the right to retain ownership of intellectual assets, including intellectual property (or assign it to a third party under an exploitation agreement) and to arrange for it to be exploited for the national benefit and that of the Research Organisation involved.

**TGC 11.4** Students supported by the Training Grant shall, subject to the procedures laid down by the Research Organisation, publish the results of their research, excluding theses (see TGC 11.5), funded by the Training Grant, in accordance with normal academic practice and Our policy on Open Access: <https://www.ukri.org/manage-your-award/publishing-your-research-findings/making->

[your-research-article-open-access/](#). Publications can be accepted in English or Welsh.

Publications and other forms of media communication, including media appearances, press releases and conferences, must acknowledge the support received from Us, quoting the Training Grant reference number if appropriate. Please see details on how to acknowledge funding at <https://www.ukri.org/manage-your-award/publishing-your-research-findings/acknowledging-your-funding/#contents-list>

**TGC 11.5** We expect that a full text version of the thesis should be available no longer than 12 months following award of the doctorate. We recognise that commercial, collaborative or publication arrangements may necessitate a slight delay at Your discretion, however we expect the thesis to be deposited as soon as possible. We expect You to have in place a documented process for determining where exceptions can be granted to the requirement for publication within 12 months.

### **TGC 12 Disclaimer**

**TGC 12.1** UKRI accepts no liability, financial or otherwise, for expenditure or liability arising from the research funded by the Training Grant, except as set out in these Terms and Conditions, or otherwise agreed in writing.

**TGC 12.2** UKRI reserves the right to amend the payment profile at its discretion. You will be advised, in advance, of any such change. Changes to payment profiles may affect the overall value of the Training Grant.

**TGC 12.3** UKRI reserves the right to terminate the Training Grant at any time, subject to reasonable notice and to make any payment that We agree may be necessary to cover outstanding and unavoidable commitments. If a Training Grant is terminated or reduced in value, no liability for payment, redundancy or any other compensatory payment for the dismissal of staff funded by the Training Grant will be accepted, but, subject to the provisions of TGC 9 Financial Reporting, negotiations will be held with regard to other contractual commitments and concerning the disposal of assets acquired under the Training Grant.

**TGC 12.4** Where studies are carried out in an NHS Trust or equivalent, the Trust has a duty of care to its patients. UK Research and Innovation does not accept liability for any failure in the Trust's duty of care, or any negligence on the part of its employees.

### **TGC 13 Status**

**TGC 13.1** The Terms and Conditions of Training Grant which include these Standard Terms and Conditions of Training Grant and the Specific Terms and Conditions of Training Grant will be governed by the laws of England and Wales and all matters relating to the Terms and Conditions will be subject to the exclusive jurisdiction of the courts of England and Wales.

**TGC 13.2** If any provision of these Terms and Conditions is found by a court or other legitimate body to be illegal, invalid or unreasonable, it will not affect the remaining terms and conditions, which will continue in force.

**TGC 13.3** The Terms and Conditions of Training Grant contain the whole agreement between UKRI and the Research Organisation in relation to the Training Grant and neither party intends that any of these Terms and Conditions should be enforceable by any third party.

## **Appendix A – Changes to terms and conditions related to COVID-19 Pandemic Extensions**

Where an extension is applied to a student's funded period due to disruption caused by the COVID-19 pandemic, this may be done so in addition to any extensions covered by **TGC 6.1.1**, even if this would exceed the maximum extension allowed as detailed in section **TGC 6.1.1**.

### **Sick Leave**

The sickness period of students who are ill with COVID-19 or a COVID-related condition (for example increased mental health issues due to lockdown) can be considered separately from **TGC**

**8.2.** For cases related to COVID-19, sick leave can be claimed for up to 28 weeks within a 12-month period. Where students have both a covid related and another illness in a 12-month period, they can receive a maximum of 28 weeks paid sick leave across both illnesses but, in line with the standard terms and conditions, no more than a maximum of 13 weeks for the non- COVID related illness within that 28-week limit.

Universities are asked to satisfy themselves that there is enough evidence that the student has had a period of sick leave without putting an undue burden of proof on the student (it may not be possible for the student to obtain a medical certificate during that time).

If a student is shielding, and are not able to work from home, they can use their shielding letter to claim sick pay. They should receive sick pay for the period detailed in their shielding letter.

Students can claim for more than one period of shielding. We consider sick leave for shielding separately to other sick leave. This means time off for shielding does not come out of the student's normal sick leave allowance.

### **Changes to mode of study**

UKRI will allow the number of mode changes to exceed the maximum set out in **TGC 7.1.1** where the additional mode changes are directly related to the pandemic.

### **Costs for short term events and activities**

Recognising the exceptional circumstances due to the COVID-19 pandemic, UKRI will allow the cost of attending postponed events and/or activities to be drawn from the training grant even if beyond the student's funded period, providing it takes place before their thesis submission.

Activities/events organised by the UKRI training grant holders for the wider cohort will be considered as exceptional circumstances, with those students who have submitted their thesis allowed to attend and draw the cost of attending the activity from the grant.

UKRI will not cover any other costs outside the funded period as per condition **TGC 4.8**.
