List of Standardised keywords for UKRI POC funding opportunity

This is a list of standardised keywords and phrases for UKRI research areas and commercialisation pathways to help us identify the most appropriate panel members to assess and introduce applications at the panel meetings. There are 34 research related areas and 5 commercialisation pathways.

Please enter a minimum of two (including a commercialisation pathway) and no more than 4 keywords from this list, separated by semi-colons.

Please ensure that you use the precise codes and wording of the research areas as provided in the list (we suggest you use the copy and paste functions).
