

AHRC INNOVATION VALUE CHAIN

SUSTAINED SUCCESS

AHRC will evaluate the benefits and impacts from its investments, learn the lessons, and promote the success of research commercialisation.

BENEFITS TO CITIZENS

Investments will capture their outcomes and benefits to UK citizens, demonstrating where they have added value or efficiency to the economy/society.

AHRC INPUTS

AHRC and partners will work together to identify and quantify economic and social benefits that can be realised via commercialisation.

INVESTMENT OUTPUTS

Investments will pursue commercialisation to develop skills and sustainable/scalable solutions, increasing researcher satisfaction.
